"Where Children Are Children"

Camp Whip-Poor-Will has been providing Christian nurture to preschool and elementary children since 1982.

Campers participate in numerous activities including crafts, animal farm, leather crafts, creek activities, hiking trails, rocks and gems, biking, greenhouse, gardening, recreation, soccer, softball, fishing, music, storytelling, train rides, and more!

Our staff to children ratio is approximately 1:5 and many of our Junior Counselors and Sr. Staff are former campers who share their fond memories with current campers. Children are grouped according to age & each group creates their own "home in the woods" for the week.

The camp has 20 acres of land with plenty of hiking trails, a riding ring, two forty feet wide creeks, and a 10,000 square foot log cabin lodge!

We hope you can join us this summer at *Camp Whip-Poor-Will*, Where Children Are Children.
